在咖啡馆打工，并不能让乔伊做到收支平衡，所以他决定再次参加医学实验。

此时在进行的唯一的实验是双胞胎研究，报酬丰厚，乔伊难以抗拒。

于是他雇佣另一个演员饰演他的双胞胎兄弟。

瑞秋和菲比去上女子防身术课程，但罗斯认为她俩完全没有应付危险状况的心理准备。

为证明自己的观点，他在走廊上吓她们，结果反被制服。

过情人节，钱德和莫妮卡计划自制礼物送给对方。

钱德动手能力差，而莫妮卡压根给忘了。

结果钱德送了一卷自己录制的音乐带，其实是珍妮丝以前送他的礼物；

而莫妮卡则把菲比用袜子缝的兔兔送给了钱德。

## 6.17 The One With Unagi

Joey's financial needs aren't being met by his job at the coffee house, so he looks into(v. 伺机) participating in another medical study.

The only one available is for identical twins, but it pays so much that Joey can't resist.

He hires another actor to play his twin brother.

Rachel and Phoebe are taking a self-defense class, but Ross feels they don't have Unagi, a state of total awareness, in which you can be prepared for any danger.

He startles them in the hallway to prove his point, which sets off an on-going(adj.继续的) competition of pseudo(<俚>false;not real)-attacks[n.佯攻].

Chandler and Monica plan to celebrate Valentines day (late) by making gifts for each other.

Chandler can't make anything and Monica forgets until the last minute.

Chandler gives Monica a customized(adj.量身定制的) tape of music which actually was a previous gift from Janice;

Monica give him a sock puppet(n.木偶) that Phoebe made.

**Ross:** Hey, remember when I had a monkey?

**Chandler:** Yeah.

**Ross:** Yeah, what, **what was I thinking** 我刚才在想什么?

**Joey:** (he's just picked up their bill) Hey! So, **what's with** the 20 percent tip? Did I do something wrong?

**Chandler:** Twenty percent is a pretty **generous tip** Joe.

**Joey:** Y'know what's more generous than that?! Fifty percent!

**Chandler:** I see where **you're goin'** 你要说什么!

**Ross:** **What's up with the greed** Joe?

A Head shot is a photographic technique where the focus of the photograph is a person's face. There are two general types of head shots: 1)Identification 'As a form of identification, a head shot is a front on (facing straight at the camera) photograph, with the face being the centre of the picture and containing minimal(adj.最小程度的) or no surroundings. These head shots are usually used as a

form of identification. They are used as passport photos, mug shots (n. 嫌疑犯照片) and on other forms of photo identification. 2) Entertainment industry: Actors or models often include, or are required to include a head shot, along with other photographs, when applying for a job. These head shots are usually more artistic, intended to portray the subject in the best possible light. They often have the subject facing slightly or even significantly off-centre (adj. 偏离中心的). A performer will often have several head shots expressing different poses and expressions to give the potential employer an idea of the subject's potential range of appearances.

**Ross:** Well isn't there something you can do to earn a little extra money? I mean, can't-can't you pick up, I don't know, an extra shift here?

**Phoebe:** Or, y-know, I used to beg for money. Of course it helps if you've got y-know a little of this (she sticks her chest out and shakes it) goin' on. Wow! I still have it!

**Ross:** Oh, wait! Wait! Don't you have an audition today? Yeah! Maybe you'll get that job!

**Joey:** Oh, ha-ha-ha! Ooh! Wait a minute, I used to get medical experiments down on me all the time!

**Chandler:** (reminiscing) Ah, finally an explanation 终于找出了根源.

**Joey:** No-no! I used to get paid for all kinds of medical stuff, remember? Let's see uh, well I don't want to donate sperm again. (To Ross) I really prefer doing that at the home office y-know? (Ross nods his head.) Ooh-ooh, maybe they want like some of my blood or-or spit or something, huh?

**Gunther:** (approaching with a tray with an order on it) Joey!

**Joey:** Yeah?

**Gunther:** What did I tell you about talking to your friends while you're working?

**Joey:** Uhh do it?

**Gunther:** That guy (points) has been waiting for his coffee for ten minutes! He's complained about you three times! (He hands the coffee cup to Joey, **assuming that** Joey will deliver it and walks away.)

**Joey:** Well, **where was I** 刚才说到哪儿了? (**Takes a sip of** the coffee.)

It's what the Japanese call (he holds two fingers up to his temple, and he does this every time he says this word) unagi.

关于 unagi '我也很是费了些周折' 因为学了这么多年日语 '都没有听说 unagi 跟空手道这些的玄妙之处' 这两天逮了个日本人问 '他也觉得比较可疑' 似乎没有这一说 '在一个日本 friends 迷的网页上也看到一处解释' 据网站站长说 '日本也没有这种提法' 不存在这样一种关系 '但练空手道和剑道的人似乎很喜欢吃 unagi '倒是真的' 他推测这只是剧本里的一个噱头 '另一个侧面也反映了 new yorker 爱日本料理的心理/Unagi :罗斯对空手道半通不通' 不仅把空手道的英文发音故意发错 '还生编硬造了一个词叫做 Unagi '这是日语「鳗鱼」的意思 '但罗斯把它引申为对周围危险的警觉/

**Rachel:** Isn't that a kind of sushi?

The crafted object(n. 工艺品) becomes solid when the paste dries. A form of papier-mâché had existed in China for hundreds of years until a much stronger version (including glue) was patented by Henry Clay of Birmingham England in 1702. It was a common technique(n. 工艺) for making dolls in the 19th century, before plastics became available. Piñatas are an example, as is one of the papal tiaras(n. 罗马教皇的三重冠). Constructing papier-mâché is a common craft used to entertain children.

[Scene: Ross's apartment, Ross is coming in from doing his laundry. He starts folding it as Chandler enters.]

**Chandler:** Hey.

**Ross:** (not turning around) Chandler. I sensed it was you.

**Chandler:** What?!

It was also the first manned launch(n. 发射) of the Saturn V rocket. NASA prepared for the mission in only four months. The hardware involved had only been used a few times | the Saturn V had launched only twice before, and the Apollo spacecraft had only just finished its first manned mission, Apollo 7. However, the success of the

mission paved the way for(v. 为：铺平道路) the successful completion of U.S. President John F. Kennedy's goal of landing on the Moon before the end of the decade. After launching on December 21, 1968, the crew took three days to travel to the Moon, which they orbited for 20 hours. While in lunar orbit(n. 月球轨道) the crew made a Christmas Eve television broadcast in which they read from the book of Genesis[《创世纪》(旧约圣经的第一卷)]. It was the most watched broadcast to date.

**Chandler:** Yeah, I guess I could use that. I could say that your love sends me to the moon.

**Ross:** Yeah-yeah, except Apollo 8 didn't actually land on the moon. But you-you-you could write that umm, your love lets me orbit the moon twice and return safely. Then he holds it out as if he's giving it to her.) Yes honey, I made it myself. (He throws it down and goes to her chest, grabs something, goes to the bed table, and takes out a pair of scissors. He turns around and holds the scissors to the crotch of the panties he just removed.) I can't do it. I can't do it. (He throws them both down and continues looking. **Monica:** Oh, what a great gift! Is *The Way You Look Tonight* on it?!

The Way You Look Tonight: 钱德勒最后给莫尼卡送了一盒磁带，莫尼卡兴奋地问：“里面有《今晚你的魅影(The Way You Look Tonight)》吗？”这是一首爵士名曲，美国爵士歌王托尼·贝内特、辛纳屈、洛·史都华等都演绎过这首名曲。《新娘不是我》这部电影里还把它拿来当主题曲。“The Way You Look Tonight” is a song featured in the film *Swing Time*, which won the Academy Award for Best Original Song in 1936. It was written by Jerome Kern with lyrics by Dorothy Fields. Dorothy Fields later remarked that the melody, upon first hearing it, moved her to tears and she was thrilled to provide the lyrics: “The first time Jerry played that melody for me I had to leave the room because I started to cry. The release absolutely killed me. I couldn't stop, it was so beautiful.” The song was sung by John “Lucky” Garnett (played by Fred Astaire) while sitting at the piano. Penelope “Penny” Carroll (played by Ginger Rogers) was

busy washing her hair in an adjacent room, and feeling anything but beautiful at the time. This song was also popularly performed by Frank Sinatra, Tony Bennett, Michael Bublé, Rod Stewart, Ray Quinn and as a duet (n. 二重唱) between Bing Crosby and his wife Dixie Lee. Jazz pianist Art Tatum has an instrumental recording in the collection The Complete Pablo Solo Masterpieces. The song was also performed by The Lettermen and became a hit for them in 1961. Billie Holiday has also recorded this song, in 1936, and it can be found in "The Quintessential Billie Holiday, Vol. 2".

## Ending Credits

[Scene: The street in front of Central Perk, Ross is walking up and sees two women that look like Phoebe and Rachel from behind.]

[Cut to Central Perk, Phoebe and Rachel are sitting up by the window because two guys have their couch.]

**Phoebe:** (stopping her) No Rachel! They got here first!

(Ross appears at the window behind them crouched behind a garbage can and ready to spring his attack on who he thinks are Phoebe and Rachel. The camera cuts to the exterior view and Phoebe and Rachel call the shots from inside.)

crouch vi. 蹲伏/call the shots v. 控制局面/Call the shots 在字典中的解释是 'to be in a position to give orders, decide what will happen' 即「控制、掌握、发号施令、说了算」。举例来说「在大家七嘴八舌意见不一的时候」只有一个人才能做出最后决定「这个人就是 someone calls the shots」或者说「在某个团体中」经常发号施令的人并不一定是权利最大的人「而那个在幕后操纵一切的大人物虽然不露面」却是真正的 someone calls the shots。令人惊奇的是「call the shots」这一短语有案可查的历史并不很长。根据《牛津大辞典》的记载「虽然这个短语在口语中可能已经流传了相当长的时间」但它的最早书面记录出现在 20 世纪 60 年代「最初的意思为：「明白无误地表明自己的愿望或想法」。那么「shot」射箭「为什么会出现这个短语当中呢」? 让我们结合另一个类似的短语 call one's shots 来考察一番「或许能找到一些端倪」Call one's shots 是指在射箭之前「为了表示自己的箭术高超」

射手会宣布他将射向的目标；类似地，如果是由别人替射手宣布目标，就产生了 call the shots。在这种情况下，射手就必须按照别人宣布的目标瞄准，射箭。因此，call the shots 就引申出「控制、掌握」的意义。再来看一个例句：To be a leader, you should know how to call the shots. 作为领导，你应该知道怎么做决断。

**Phoebe:** Why is Ross doing that?

**Ross:** ~~DANGER~~!!!!

**Rachel:** Oh my God! Why is he jumping on those women!

jump on v. 扑向

**Phoebe:** We should help him!

**Rachel:** I: Well, I don't think they need any help.

(Ross starts to scream and run away. He stops in front of the window of Central Perk to check the pursuit and notices Phoebe and Rachel inside looking at him. He mouths, "What?" Then realizes that the women he attacked are closing in so he screams and runs away.)

**End**
