## 823 瑞秋生孩子

等他们赶到医院，单人房已经没有了，瑞秋被迫住进双人房等产。

莫妮卡想吓吓钱德就开玩笑说他们应该要个孩子了，谁知钱德一口答应，反而把她给吓着了。

Mrs. Geller 来医院给了罗斯一个家传戒指，让他向瑞秋求婚。

大家再次质疑罗斯和瑞秋问什么不能在一起。

同病房行为怪异的产妇换了一个又一个，瑞秋还是没有动静。

莫妮卡和钱德找了个病房“生产”孩子，被人发现，只好作罢。

菲比碰到一个腿受伤的英俊病人 Clifford，为了了解他，先让乔伊扮作医生去打探消息。

## 8.23 The One Where Rachel Has a Baby, part 1

Ross rushes Rachel to the hospital using his specially tested route, but they still end up being the last ones there.

They gets put in a semi-private room, and see couple after couple come and go, while Rachel's own labor progresses very slowly.

Monica and Chandler decide to have a baby, and want to start trying right away -- at the hospital.

Ross' mother stops by with her mother's engagement ring and a suggestion that Ross propose to Rachel.

Ross refuses the idea but takes the ring to satisfy Mrs. Geller.

Phoebe meets a nice guy (Cliff) at the hospital and sends Joey in (posing as Dr. Drake Ramoray) to find out more about him.

The rotation(n. 轮转) of Ross and Rachel's roommates are disgustingly(adv. 讨厌地) friendly; horribly rude; having unbelievably mild contractions; giving birth upon arrival; and... Janice.

## 8.24 The One Where Rachel Has a Baby, part 2

Janice's annoying laugh is surpassed only by the noises she makes during labor.

Luckily for Janice's new husband (Sid), he's almostly deaf.

Monica and Chandler, preparing again to attempt conception(n. 怀孕), stop when they hear Janice next door.

Phoebe gets to know Cliff better;

When he finds out she had Joey pretend to be a doctor to pump[v. 盘问 用话刺探出 (秘密等)] him for information, he's upset... but he gets over it.

Rachel finally delivers the baby, breech.

The names they had in mind don't sound right to Rachel anymore, so Monica lets her use a name she had planned for her own daughter: Emma.

Phoebe is very persuasive in convincing Ross to propose to Rachel;

but before he can get back to the room, Joey stumbles upon(v. 偶然发现) Ross' grandmother's ring and shows it to Rachel.

She mistakes it for a proposal, and accepts.

**Joey:** Rach come on, what?

**Rachel:** I've just been thinking about how my baby and I are gonna be all alone.

**Joey:** What are you talking about alone? What about Ross?

**Rachel:** Oh please, he'll be with his real family, the twins and little Ms. new boobs.

**Joey:** Okay, how long was I watching that woman?

**Rachel:** I'm just saying that y-know, someday Ross is gonna meet somebody and he's gonna have his own life. Right?

**Joey:** Yeah, I guess so.

**Rachel:** I just never thought I would raise this baby all by myself. Pretty dumb huh?

Pretty dumb huh? 很傻是吧

**Joey:** Hey, listen to me, listen to me: you are never ever gonna be alone. Okay? I promise I won't let that happen.

**Rachel:** Joey. Sweetie, what would I do without you?

(They hug.)

**Joey:** You don't have to worry about that okay?

(Pause)

**Rachel:** Oh, hon can you grab me my other box of tissues? They're right on that chair under Ross's coat.

**Joey:** Sure.

**Rachel:** Okay.

(He moves Ross's coat to get the tissues and the engagement ring box Mrs. Geller gave him falls out of the pocket it was inside. Joey goes to one knee, picks up the box, opens it, and sees that it's an engagement ring.)

**Joey:** Oh My God.

**Rachel:** Joey.

(He turns to face Rachel on one knee with the box open.)

**Rachel:** (seeing the ring) Oh my God. (Pause) Okay.

(Joey is stunned.)

[Cut to Ross getting off an elevator carrying a bouquet of flowers and walking down the hall to Rachel's room.]

[Fade to black.]
