Rachel tells her dad she's pregnant and Ross is the father.

Mr. Green reacts harshly (adv. 严苛地) when he finds out Rachel isn't getting married, so she tells him Ross refused to marry her.

Phoebe lets slip (v. 无意中说出) that Monica had a bachelorette party, upsetting Chandler and Joey, who hadn't been allowed a bachelor party.

To make up for (v. 补偿) it, Monica hires Chandler a stripper, who turns out to be a prostitute (n. 妓女).

Rachel's dad accosts(v. 直面) Ross while he's on his date with Mona, almost causing Ross to lose her.

**Rachel:** (coming from the bathroom) Hey Pheebs?

**Phoebe:** Huh?

**Rachel:** I'm having dinner with my dad tomorrow night, do you wanna come?

**Phoebe:** Sure. Yeah, he's kinda sexy.

**Rachel:** Oh no, no, I'll be there too.

**Phoebe:** Okay so, we'll just come up with some kind of signal if it's going well you can take off.

**Rachel:** No Phoebe! I just need you there for support. I haven't told him I'm pregnant yet.

**Phoebe:** Oh. Why not?

**Rachel:**—Cause I know he's gonna flip out and I hate it when he's angry.

**Monica:** I'm sorry, they surprised me. There was nothing I could do!

**Rachel:** Well you could've untied it with your hands.

**Joey:** This is so unfair! The one thing I wanted to do was throw my best friend a bachelor party, but no, I wasn't allowed to. All I got was a stupid steak dinner!

**Phoebe:** Oh, I-I don't eat meat.

**Dr. Green:** It's chicken.

**Phoebe:** Yeah, I don't eat that either.

**Dr. Green:** I'll never understand you lesbians. (To Rachel) So baby, tell me: what is new with you.

**Rachel:** Well actually umm:

**Waiter:** (interrupting) Your '74 Lafite sir.

Château Lafite Rothschild is a winery(n. 葡萄酒酿造厂) in France currently owned by members of the Rothschild banking family of France. The name Lafite comes from the Gascon term 'la hite' meaning 'small hill'. Only four wine-producing(adj. 酿酒的) Châteaux of Bordeaux achieved First Growth status in the 1855 Classification, which was based on recent prices. Of those, the first one in the list is Château Lafite Rothschild, a consistent(adj. 始终如一的) producer of one of the world's most expensive red wines.

**Dr. Green:** '74?! I ordered the '75! That's a magnificent wine! The '74 is sewage! Why would you bring me sewage?! (The waiter's dumbfounded) Is that a hard question? Are you an idiot? **Is that why** you're a waiter?

**Phoebe:** Rachel!

**Rachel:** No it's okay, **this is what's gonna happen.** I'm gonna wait a couple years and then the baby will tell him.

**Phoebe:** Why, so he can **get mad at** the baby?

**Rachel:** Hey, that is the baby's problem. (Dr. Green returns.) Oh, **everything okay with** the waiter?

**Dr. Green:** I have no idea, I went to the bathroom. So sweetie, you **were starting to** tell me what is uh, what is new with you.

**Rachel:** Well: Umm, I got *TiVo*.

TiVo is a popular brand of digital video recorder (DVR) in the United States. It is a consumer video device which allows users to capture television programming to internal hard disk storage for later viewing (sometimes called "time shifting") The most appealing feature of Tivo is to shun the huge amount of advertisements.

**Dr. Green:** What's *TiVo*?

**Phoebe:** It's slang for pregnant.

**Rachel:** Phoebe!

**Phoebe:** Well, **what were you thinking** asking me to come?

**Dr. Green:** Are you really pregnant?

**Rachel:** Well uh, yes and no. Except not no. **So to sum it up**, yeah.

[Scene: Central Perk, Chandler and Joey are reading a magazine and Ross is chatting with Mona.]

**Ross:** Oh thanks. Although it kinda seemed like you were falling asleep there a little.

**Mona:** Oh no-no, I-I had my eyes closed so I could concentrate and y-know take it all in.

**Ross:** Yeah, a lot of my students do that.

**Mona:** So, I gotta get going.

**Chandler:** She's okay with Rachel and the baby?

**Ross:** Well I : I haven't actually told her yet. I don't want to scare her off, y'know?

**Chandler:** Well, you have to honest with her! Otherwise you may think that you're going down the same path, but you're really going down different ones.

**Joey:** I'm gonna take that book and beat you to death with it.

**Monica:** (entering) Oh my God! You are gonna love me so much!

**Chandler:** Oh, good. Because so far in this marriage, I just like you a lot.

**Monica:** All right. So I felt really bad about the whole bachelorette party thing, so tonight you're gonna have a bachelor party.

**Chandler:** What?

**Monica:** Yeah, I got this number from this guy at work and I hired a stripper to come dance for you. Am I going in the wife hall of fame or what?!

A hall of fame is a type of museum established for any a field of endeavour to honour individuals of noteworthy(adj. 显著的) achievement in that field. **Chandler:** Honey! That's crazy! I don't want you to get me a stripper :

throw in v. To add (an extra thing or amount) with no additional charge 扔进 增添 [eg: He threw in a word or two from time to time] / all over again adv. 重新 再一遍

**Ross:** Sure, one year is paper, but two months is lap-dance! (Joey nods his agreement.)

**Monica:** Please! I feel so bad! Just watch the hot woman get naked!

**Chandler:** All right fine! But I'm only doing this for you!

**Joey:** Yeah!

**Chandler:** And Joey.

**Monica:** Thank you. All right, now who else do you want to invite?

**Chandler:** Ah, no-no-no just Ross. Ross and Joey is embarrassing enough.

**Ross:** Uh actually, sorry I can't even make it. I'm seeing Mona again tonight.

**Chandler:** I understand 'who would cancel an actual date to go to a fake bachelor party?

**Joey:** (on cell phone) I'm sorry I gotta cancel tonight baby :

[Scene: The Restaurant, **dinner has ended** and Phoebe and Rachel are talking. Dr. Green is not at the table.]
