10.09 The One With The Birth Mother

Chandler and Monica go to Ohio to be interviewed by the birth mother (Erica) of their prospective (adj. 预期的) child.

Due to a mix-up, she thinks Chandler is a doctor and Monica a reverend.

Monica wants to let the illusion (n. 错觉) continue, but Chandler insists on telling the truth, which almost costs them the baby.

Joey persuades a reluctant Phoebe to set him up with her friend, Sarah.

Joey is hesitant to call Sarah for a second date, because during dinner she took some fries from his plate (Joey doesn't share food).

Ross seeks fashion advice from Rachel and Phoebe for an upcoming date (with Joan), so they take him shopping.

Their bags get mixed up;

Ross ends up wearing a women's blouse -- the same blouse Joan is wearing.

Monica: Yeah, but the important thing to know about us, is how much we would care for this little baby. (holds up the sonogram)

Erica: So you lied to me before?

Monica: Well, we... (makes quotation signs in the air) "bore false witness"... See I could be a reverend.

bear false witness v. criminal offense of making false statements under oath 犯伪证罪

[eg: He will not bear false witness against anyone.]

Erica: I can't believe this.

Monica: But we were hoping that since we told you the truth that you still might consider...

Erica: Giving you my baby? You think I'd give you my child after this?

Monica: Well, you don't have to decide right now, but if you could just look at our file...

Erica: I don't want to look at your file! This is over.

(She leaves the room, but Chandler runs after her. They meet in the hallway.)

Chandler: Erica wait!

Erica: I've nothing to say to you. (walks a few paces)

Chandler: You have every reason to be upset. We did lie. But only because we've been waiting and trying to have a baby for so long. Now we don't know how long it's gonna be before we can get another chance again.

have every reason to v. 完全有理由

Erica: Why don't you ask the reverend to pray on it?

Chandler: Erica, please. Just consider us. Ask them to see our file. Our last name's Bing. My wife's a chef and I'm in advertising.

Erica: Oh yeah. I actually liked you guys. But it doesn't matter, because what you did was wrong. (walks away again, but Chandler catches up with her again)

Chandler: But you did like us. And you should. My wife's an incredible woman. She's loving and devoted and caring. And don't tell her I said this but the woman's always right... I love my wife more than anything in this world. And I... It kills me that I can't give her a baby... I really want a kid. And when that day finally comes, I'll learn how to be a good dad. But my wife... she's already there. She's a mother... without a baby... Please?

devoted adj. 忠实的 挚爱的[eg: Mrs. Jones had a very devoted husband]

(They look at each other. We switch back to Monica. Chandler opens the door and she turns to look at him.)

Chandler: You still want that baby?

(Monica plays those words back in her mind and then smiles and runs to Chandler, who is twisting with joy. They hug.)

Monica: God bless you Chandler Bing!

CLOSING CREDITS

[Scene: Central Perk. Joey's on the couch when Ross walks to him, with his jacket **closed**.]

Ross: Turns out this sweater **is made for** a woman.

Joey: (nods) So, why are you still wearing it?

Ross: Because it's soft... Hey, so how was your date?

Joey: Ooh... Not so good.

Ross: Well, **looks like** it's **just the two of** us tonight, huh old buddy?

Joey: Yeah, and you know what? We could **do a lot worse**.

(they shake hands the way friends would. There's a muffin on the table, and Ross **breaks off a piece** and wants to put it in his mouth.)

Joey: (shouting to Ross) JOEY DOESN'T SHARE FOOD!

(Ross puts the piece back on the plate)
