#### 10.08 The One With The Late Thanksgiving

Monica doesn't want to host Thanksgiving until Phoebe suggests that she see it as a competition with herself, to top her previous year.

Phoebe convinces Rachel to enter Emma in a baby beauty pageant.

Joey gets tickets to a hockey game and he and Ross go, even though it could conflict with(v. 冲突) the Thanksgiving dinner.

Rachel, Phoebe, Joey, and Ross are all late for dinner, angering Monica and Chandler, who didn't want to host the dinner anyway.

At the height of the conflict, Monica gets a call from the adoption agency telling them they're getting a baby.

**Monica:** Hey guys!

**Rachel:** Hi!

**Phoebe:** Hey!

**Monica:** We need to talk to you about something.

**Chandler:** Yeah. We don't feel like we can host Thanksgiving this year.

**All:** What?

**Phoebe:** Hey!

**Ross:** Are you kidding?

**Chandler:** Well, it's just with ... work and the stress of adoption, we just don't feel like we have the energy. Plus, we don't think it's fair that every year the burden falls on us.

**Ross:** (skeptical) That doesn't sound like you... That's Monica talking!

**Chandler:** No, no! We made this decision together.

**Ross:** She's putting words in your mouth!

**Joey:** Don't you put words in people's mouths, you put turkey in people's mouths!

**Rachel:** I can't believe this! This is Emma's first Thanksgiving!

**Monica:** No, it's not!

**Rachel:** It's not? (whispering to Ross) When was she born?

**Phoebe:** Well, personally I think it's great you're giving yourself a break.

**Monica:** Thank you, Pheebs!

**Phoebe:** Sure. It's just as well... I mean, last year wasn't very good.

I think she's losing her touch.

touch n. 特长 才能 [eg: He has a touch with birds]/lose one's touch <俚> 工作不如以前

**Monica:** What? You are way off, lady!

**Phoebe:** Am I? Really? Am I? Well, why don't you **cook** Thanksgiving dinner and **prove me wrong**! Well, think about it, think about it, you'll be **trying to top than** you did last year. You'd be **in competition...** **with** yourself.

**Monica:** That's my **favourite kind**! Okay, we are doing this!

**Chandler:** Don't **let yourself get manipulated** this way!

manipulate vt. 操纵 利用[eg: A clever politician knows how to manipulate his supporters]

**Monica:** Hey, stay out of this, Chandler! This is between me... and ME!

stay out of v. 不插手

**Chandler:** We are supposed to make these decisions together! **Did you not** watch the Dr. Phil I **taped for** you?

Dr. Phil is an American talk show hosted by Dr. Phil McGraw. It debuted on September 16, 2002, after McGraw had success with the "Tuesdays With Dr. Phil" segment on The Oprah Winfrey Show. On both shows McGraw offers advice in the form of "life strategies" from his experience as a clinical psychologist. The show is in syndication throughout the United States and Canada, as well as a number of other countries. Also, the show's syndication contracts specifically state that if Dr. Phil is on another station, it cannot air at the same time as Oprah. The sixth season will premiere on September 10, 2007. It was announced on August 3, 2005 that Dr. Phil had been renewed through at least 2012-2013, lasting through the 11th season. In 2007, Dr. Phil was nominated for a Daytime Emmy Award for "Outstanding Talk Show Host".

## OPENING CREDITS

**Phoebe:** Hey!

**Rachel:** Hi! Happy Thanksgiving!

**Phoebe:** Oh, yeah, happy needless-turkey-murder day.

needless adj. 不必要的 [eg: A third car was a needless expense]

**Monica:** You guys, I ordered some chocolate pies from that bakery on

Bleecker. Could you pick them up for me?

Bleecker Street is a famous street in New York City's Manhattan borough. It is perhaps most famous today as a Greenwich Village night club district. The street is a spine(n. 中心) that connects a neighborhood today popular for music venues and comedy, but was once a major center for American bohemia(n. 波希米亚 放荡不羁的文化界). Bleecker Street connects Abingdon Square, the intersection(n. 十字路口) of Eighth Avenue, Hudson Street and Ninth Avenue in the West Village, with the Bowery in the East Village. Nearby sites include Washington Square Park and music venue Cafe Wha, where Bob Dylan, Jimi Hendrix, Bruce Springsteen, Kool & the Gang, Bill Cosby, Richard Pryor, and many others began their careers. The legendary club CBGB, which closed in 2006, was located at the east end of Bleecker Street, at the corner of Bowery.

**Phoebe:** You're not making the pies yourself?

**Monica:** No, no, no, I don't make chocolate pies. When I was younger I entered this pie-eating contest. I ate so many that just the thought of them made me sick.

**Rachel:** Oh my God! That's the creepiest thing I've ever heard!

**Phoebe:** Okay, but, well, before you say no, my friend Susanne is entering her kid and compared to Emma she's a real dog!

**Rachel:** Oh! Phoebe, all babies are beautiful!

**Phoebe:** (sarcastic) Oh... okay.

**Rachel:** Phoebe, just the idea of pitting one baby against another, I mean, you know, and judging who's cuter just for a trophy...

**Rachel:** ...is something I'm very interested in! Oh please, do not tell Ross. He still believes that (in a deep voice, mocking Ross) what's in the inside is important...

**Phoebe:** Okay, oh, and Emma needs a cowgirl outfit for the competition.

cowgirl outfit

**Rachel:** Where am I gonna get a cowgirl outfit on Thanksgiving?

**Phoebe:** Well, I was thinking...

**Rachel:** Oh, take the clothes of Joey's Cabbage Patch Kid.

cabbage n. 卷心菜/patch n. 小块地/Cabbage Patch Kids are a brand of doll created by Xavier Roberts in 1978. The original dolls were all cloth and were available at local craft(n. 工艺) shows, and later at Babyland General Hospital in Cleveland, Georgia. The dolls attracted the attention of toy manufacturer Coleco, who began mass producing them for the public in 1982. The Coleco Cabbage Patch Kids had large, round vinyl(n. <化>乙烯基) heads and soft fabric bodies, and were produced from 1982 - 1989. After Coleco went bankrupt, the Cabbage Patch Kids were later mass produced by other companies, including Hasbro, Mattel, Toys R Us, and currently Play Along. Mattel started producing them after cancelling production of My Child dolls. At the peak of their popularity, the dolls were a must-have toy for Christmas. Parents across the United States flocked to stores to try to obtain one of the Cabbage Patch Kids for their children, with fights occasionally erupting between parents over the hard-to-find dolls. In later years, Coleco introduced variants on the original Cabbage Patch Kids, and derivatives(n. 派生) of the original line of dolls continued to be marketed. Although the Cabbage Patch Kids fad(n. 一时的狂热) has largely passed, there remain a significant number of die-hard collectors. Babyland General Hospital is the birthplace of Cabbage Patch Kids located in Cleveland, Georgia. Roberts converted an old clinic into a facility from which to sell his dolls, originally called "Little People." The facility is presented as a birthing, nursery, and adoption center for premium Cabbage Patch Kids. Although the initial fad surrounding the dolls has largely died down, Babyland General is still heavily trafficked by diehard fans, tourists, and curiosity seekers.

**Phoebe:** Yeah!

[Scene: Monica and Chandler's apartment. Chandler is watching TV and Monica is cooking]

baton n. 指挥棒

**Chandler:** Why come all the way from Kansas to do that?

**Monica:** (she tastes what she has cooked) I don't get older. I just get better!

**Chandler:** You know what just **occurred to me**? This could be our last Thanksgiving **just the two of** us. I mean, we could **be getting** a baby soon!

**Monica:** You don't know that.

**Chandler:** Somebody is gonna pick us.

**Monica:** Yeah, but we **haven't heard a thing from** the adoption agency and it **has been weeks**!

**Chandler:** I'm telling ya! It's gonna happen. Next year it's gonna be you, me and the little Hemingway Bing. (pause) What, he's my **favourite author**!

Ernest Miller Hemingway (July 21, 1899 - July 2, 1961) was an American novelist, short-story writer, and journalist. Nicknaming himself "Papa" while still in his 20s, he was part of the 1920s expatriate[adj. 被流放(国外)的 移居国外的] community in Paris known as "the Lost Generation", as described in his memoir(n. 自传) *A Moveable Feast*. He led a turbulent social life, was married four times and allegedly(adv. 依其陈述) had multiple extra-marital(adj. 私通的) relationships over many years' time. For a serious writer, he achieved a rare cult-like popularity during his lifetime. Hemingway received the Pulitzer Prize in 1953 for *The Old Man and the Sea*. He received the Nobel Prize in Literature in 1954. Throughout his life he had four wives. During his later life, Hemingway suffered from increasing physical and mental problems. In July 1961, following an ill-advised(adj. 欠考虑的) premature release from a mental hospital where he'd been treated for severe depression, he committed suicide at his home in Ketchum, Idaho with a shotgun. Hemingway's distinctive writing style is characterized by economy and understatement(n. 不充分的陈述). It had a significant influence on the development of twentieth-century fiction writing. His protagonists(n. 小说主角) are typically stoic(adj. 坚忍克己的 禁欲的) males who must show "grace under pressure." Many of his works are now considered canonical(adj. 权威的) in American literature.

**Monica:** Name one of his books.

**Chandler:** (after a long pause) "The Firm"?

*The Firm* is a 1991 legal thriller and the second novel by John Grisham. It was his first widely recognized piece of work, and in 1993, was made into a film starring Tom Cruise.

Grisham's first novel, A Time to Kill, was successful but did not bring the author the attention of the general public.

**Monica:** Ok, let's see... uhm, okay, the turkey is **in the oven**, the stuffing is ready...

stuffing n. 填塞料

**Chandler:** You know, you always **cook this meal all by yourself**. Let me help this year.

**Monica:** Oh, Chandler, that's sweet. But you **don't have to do everything** Doctor Phil **tells you to do**.

**Chandler:** I'm serious, let me do something, just not the turkey or the stuffing, nothing "high-profile".

high-profile adj. 高姿态的 倍受瞩目的

**Monica:** Ok, let's see... Oh, the cranberry sauce, it is easy to make and no-one really cares about it.

cranberry sauce n. 酸果蔓沙司

The two most well-known are for the New York and Chicago metropolitan areas. The Tri-State Region around New York City is where New York, New Jersey, and Connecticut meet. There is no tripoint, however, as Connecticut does not touch New Jersey. Chicago's tri-state region includes Illinois, Indiana, and Wisconsin and is commonly referred to as Chicagoland. This tri-state region also does not have a tripoint since Indiana does not touch Wisconsin.

**Rachel:** Really?

**Phoebe:** Yeah!

**Rachel:** You heard them say that?

**Phoebe:** Yeah!

**Rachel:** All right, okay. Alright, let's give to these babies something to cry about!

**Joey:** I know, yeah.

**Joey:** Yeah. I am sorry he's not here too, but I **got to say**, (takes some nachos from a plate on the seat where Chandler should have been) I **am really enjoying**—Nacho chair—.

(time lapse - they are still in the hall)

**Phoebe:** It's locked.

**Ross:** Wha...? Oh sure, now they lock it, but when they're having sex on the couch, it's like: "Come on in, my butt is surprisingly hairy".

**Rachel:** Alright, come on... (starts to knock on the door) Alright, you guys. We're so sorry we're late. Please let us in, so we can have dinner together.

**Chandler:** (looking through the peephole) That's a lie, you went to the game, I can see Joey's hand.

**Ross:** (to Joey, who is wearing a blue, 3 foot hand) FOR THE LOVE OF GOD TAKE IT OFF!! (takes it off his hand and throws it on the floor)

**Rachel:** You guys, come on, *it doesn't matter why* we're late. We're all here now, please let us in so we can have some of your delicious turkey. (A slice of turkey on a piece of aluminum foil *is slid* under door)

**Monica:** That's all the turkey you're gonna get.

(cut to the hall)

**Ross:** How are we gonna *decide who* gets this?

**Joey:** (holds his fist up) WATER BALLOON! (he *stuffs the slice in his mouth* and gives the foil back to Ross)

**Phoebe:** What are we gonna do? *I'm starving.*

**Rachel:** (gasps) Oh, I just remembered. We do have something to eat. Monica *put something in* our oven this morning.

**Phoebe:** Oh yeah!

(cut to Monica and Chandler)

**Monica:** Hey, you touch that and you will be sorry.

**Chandler:** Guys, I'd listen to her. The vein is bigger than I've ever seen it. (Monica looks at Chandler)

(cut to the hall)

**Rachel:** Huh... OH MY GOD IT'S BRUSSELS SPROUTS. (they all look appalled)

Brussels sprouts n. 芽甘蓝/appalled adj. 惊呆的 [eg 'Rescue workers were appalled at what they saw]

**Chandler:** HA-HA! All you got was Monica's stinky Brussels sprouts!

stinky adj. 发恶臭的

**Monica:** Stinky?!

**Chandler:** Please let me stay on this side of the door.

(cut to hall)

**Rachel:** Oh, I know... I still have my old key! (She goes in to get it and comes back with her keys) We can just unlock the door.

unlock v. 开：锁

**Phoebe:** Well, I don't know if that's such a good idea. They **clearly don't want to be with** us.

**Rachel:** You know what? I don't wanna be with them either, but it's Thanksgiving and we should not want to be together, together. (Goes to unlock the door)

**Joey:** (to Ross) Just get in there and **make a face to face apology**, you know? Look them in the eye. I know I can **get them to forgive** us.

**Ross:** I don't know...

**Joey:** I'm telling ya... (his eyes open wide and he looks like his eyes are about to **pop out**. He stares at Ross like this **without blinking**) I can do it.

**Ross:** (Staring back, and then breaks off) (To Phoebe and Rachel) Yeah, he can do it!

**break off v. 中断**

(Rachel finally manages to open the door, but the door chain is on.)

**Rachel:** Oh!

(Joey **sticks his head through the gap**. Monica and Chandler are now sitting at the dinner table. There is another smaller table **full of** food standing in front of the front door)

(Monica and Chandler do not **look amused by** Joeys head in the door)

**Joey:** Oh! It all looks so beautiful: the turkey, the stuffing...

(Monica is now smiling)

**Chandler:** The cranberries...?

**Monica:** Oh! Enough! A monkey **could have** made 'em!

**Joey:** (still with his door **wedged in** the door gap, now **opens his eyes wide** and stares at Monica and Chandler as he did with Ross earlier in the hall) Hey listen guys, we **feel really terrible**.

**Chandler:** He's doing that weird eye contact thing. Don't look at him, don't look at him! (They both look away)

**Joey:** Come on you guys, we want you to know we're (His eye widens even more) very very sorry. (Monica and Chandler are now covering their eyes with their hands) (then to the others in the hall) Right guys?

(Ross head appears above Joey's, Rachel's below Joey's and Phoebe's at the bottom)

**Ross:** I feel terrible.

**Phoebe and Rachel:** So, so sorry.

**Joey:** (smiling) Now let's not ruin this day. You worked so hard. Let's move past this and try to have a nice meal all together, huh?

**Chandler:** The floating heads do make a good point.

floating adj. 漂浮的

**Monica:** Yeah, they do seem to feel pretty bad.

**Rachel:** So bad.

**Ross :** So bad.

**Phoebe:** So bad.

**Monica:** (Gets up) Okay, okay. You two (to Phoebe and Rachel) go get the dessert. And I'll let you in.

**Rachel:** Dessert?

**Monica:** Yeah, I asked you and Phoebe to pick up the pies. You did remember, right?

**Phoebe:** Pies, oh, we thought you said prize (goes to the hall and comes back with Emma's trophy in her hand). Here! (gives it to Monica).

(Monica takes it and reads the label)

**Monica:** Grand Supreme Little Darling?

**Rachel:** Congratulations!

**Monica:** Oh my God! YOU FORGOT THE PIES? Well, I cannot believe this. You **force me to** make dinner, then you're an hour late and you **forget the one little thing that I asked you to do**.

**Ross:** Really girls, not cool.

**Chandler:** Well, you man-heads aren't any better. You **lied about** going to the game. You knew it would make you late, and you still **went anyway**.

**Joey:** Hey! I'm **getting a little tired of** this okay? We said we're sorry.

It's Thanksgiving for Pete's sakes! A day of forgiveness!

**Joey:** (to Ross, mouthing) Don't make me **come up there**!

**Monica:** It's **too late for apologies**.

**Joey:** Fine! Let's just go. I don't need your stupid dinner.

**Chandler:** That would be **a lot more convincing** if you weren't drooling.

**convincing** adj. 令人信服的/drool vi. 流口水

**Rachel:** Ewww, is that what that is?

**Joey:** Sorry!

**Phoebe:** Come on you guys, let's just **do our own** Thanksgiving.

**Rachel:** Yeah! I'll cook!

**Ross:** Yeah! Let's go out.

**Rachel:** Hey!

**Joey:** Yeah! You three have a nice Thanksgiving.

**Monica:** The three of us?

**Joey:** Yeah! You, Chan, and the vein!

(Monica gasps and holds her forehead. Phoebe, Rachel and Ross pull back their heads)

**Joey:** Ha!

(When Joey tries to pull back his head, he notices he is stuck)

**Joey:** Oh-oh! I'm stuck!

**Monica:** Joey, that is not gonna work.

**Joey:** No seriously... I'm really wedged in here.

**Phoebe:** I'll pull you through.

**Ross:** Okay.

**Joey:** (in agony) aaw-ahhh-aaahhh STOP! STOP! I'm worried about damaging my head.

**Chandler:** A little late for that.

**Joey:** Alright, hurry up, you gotta do something.

**Monica:** Alright, well, this does not change anything. (to Chandler) Okay, we need to get something to grease the sides of his face.

**Chandler:** Uhm, we've got turkey grease.

**Monica:** Alright, we're gonna have to unscrew the chain.

unscrew v. 旋开 旋松

**Joey:** Well hurry, **I can't feel my ears!**

**Chandler:** Can you ever feel your ears?

**Joey:** Interesting...

**Monica:** Chandler, where are your **tools**?

**Chandler:** (sarcastically) Oh, I left them on my bulldozer... I don't have tools!

bulldozer n. 推土机

**Monica:** I do, but Rachel borrowed them.

**Rachel:** I lent them to Ross.

**Ross:** I gave them to Joey.

**Joey:** I left them at the park.

**Monica:** Oh!

**Ross:** (looking at Joey's butt) I'm finding it really hard not to mess with him.

**Phoebe:** I've already stuffed a bunch of Brussel sprouts down his pants.

**Ross:** Nice!

(The phone rings in Chandler and Monica's apartment)

**Monica:** Okay, I have to get that. Now when I get back, I want you and your friends to be gone. Thanksgiving is over. The Vein has spoken.

**Joey:** It's really starting to hurt.

**Chandler:** Okay, look, I'm gonna pull on the door and you guys push as hard as you can. Maybe we can get enough room to wiggle him out, okay? Okay, so PUSH!

pull on v. 继续拉

**Phoebe:** Just a sec., we're kind in the middle of something here.

(Rachel, Ross and Phoebe have their hands full and are stuffing all kinds of things down Joeys pants.)

**Joey:** Ooh! Stop putting things down my pants!

**Chandler:** Come on guys, PUSH!

**Joey:** Yeah! Come on!

**Joey and Chandler:** PUSH! PUSH! PUSH!

(The chain **breaks loose from** the wall, and because Joey was pushing **with all his might**, he **propells into** the kitchen, towards the table with all the food. This table **has wheels underneath it**, and when Joey falls on this table, he **rides into** the living room, with all the food falling off, until finally Joey also falls off... Joey gets up quickly, a bit agitated, and acting as nothing happened. He **is covered in food stains**.)

**break loose** v. 挣脱/agitated adj. 激动的

**Chandler:** My cranberries!

**Joey:** (looking at himself) Man, I've got food **all over** me.

(He licks his fingers, liking it. He **offers Chandler a taste**.)

**Chandler:** Argh! I can't believe what you did. Monica's gonna kill you!

(Monica enters from the spare bedroom.)

**Chandler:** (to Monica) Look! Look! Look what the... Look what... Look what the **floating heads** did!

**Monica:** (very emotional) I don't care.

(Chandler can't believe what he's hearing. He looks at Monica, then **at** the others, then **back at** Monica.)

**Chandler:** What's going on?

**Monica:** That was the **adoption agency**...

**Chandler:** And?

**Monica:** WE'RE GETTING A BABY!

**Chandler:** Are you serious? (they hug)

**Monica:** There's a pregnant woman in Ohio, and she picked us!

(They all cheer and Rachel, Ross and Phoebe join in for a group hug. Joey also joins, but he stands back a bit, because he is all sticky of the food on him)

**Rachel:** I'm so happy for you!

**Monica:** This Thanksgiving kicks last Thanksgiving's ass!

(They all cheer and hug again, but Joey's eating the food off his shirt)
