815 生育录像带

瑞秋搬去和罗斯住后，被迫跟着罗斯整天都看着 Discovery Channel，还真学了不少东西。

菲比带了盘她朋友生孩子的录像带给瑞秋。

瑞秋搬走后，乔伊情绪低落，菲比借了朋友的狗给乔伊让他高兴起来，此狗号称“全世界最快乐的狗”。

这天是情人节，莫妮卡和钱德准备好好的享受一番。

钱德以为生育录像带是莫妮卡给他租的成人录像带就看了，惊得目瞪口呆。

莫妮卡好奇，钱德陪她又看了一遍，两人吓得在情人节什么也不敢做。

听到 Mona 的话，罗斯不敢告诉她瑞秋搬去和他住。

乔伊给狗讲瑞秋的故事，原本活泼快乐的狗变得精神萎靡。

Mona 改变计划来找罗斯过情人节，发现瑞秋住在这里，和罗斯分手。

禁不住瑞秋的哀求，莫妮卡和钱德又陪她看了一遍录像带。加起来，钱德一共看了三次。

罗斯奇怪乔伊在情人节竟没伴儿，乔伊鼓起勇气告诉罗斯自己喜欢瑞秋。

8.15 The One With The Birthing Video

Rachel likes living with Ross, except for all the documentaries on the Discovery Channel.

Joey's yearning for(v. 渴望) Rachel worsens(n. 情况变坏).

Phoebe brings over a friend's dog to cheer Joey up.

Soon even the dog is bummed out.

Mona gives Ross salt-water taffy, and Ross reveals his knowledge of boring taffy trivia(n. 琐事).

Valentine's Day is ruined for Chandler after he watches a child-birth video (which he mistook for porn).

Monica doesn't understand why he's so bothered by it, until she watches it as well.

Then Rachel (for whom the video was intended) gets a bit freaked out, too.

Ross prepares just the right way to tell Mona that Rachel has moved in with him.

But Mona comes over to his apartment early and finds out ahead of schedule(adv. 提前).

Then she dumps him.

Ross, sensing Joey's mood, gets him to talk about his "girl trouble."

Joey reveals (to Ross) his feelings for Rachel.

[Scene: Central Perk. Rachel is getting a cup of coffee as Joey and Phoebe enter and sit down.]

Phoebe: Oh! Hey, Rach!

Rachel: Hi! Hey, Happy Valentine's Day!

Phoebe: Oh, you too.

Joey: Hey, so, uh, how's it going living over at Ross'?

Rachel: It's good. Except he makes us watch the *Discovery Channel* all day long. Did you know that something really boring happened to someone really ugly in the Middle Ages? (to the waitress handing her a cup of coffee) Oh, thank you. I'll see you guys later.

Phoebe: Yeah.

Phoebe: So, Ross 'how does Mona feel about you and Rachel living together?

Ross: Oh, I'm actually on my way to tell her right now. Yeah, she's been away all week visiting her parents, but she'll be cool. I mean, she's been so supportive. She-she even got the baby a tiny T-shirt that says, "Fossils are my friends."

Ross: What is it?

Phoebe: It's a video of my friend giving birth. Could you just bring it back to your apartment?

Ross: All right. (reading the label) —Candy and Cookie?—

Phoebe: Yeah. Candy's the mother, Cookie's the daughter. The father's also Cookie. Why am I friends with these people?

Monica: (entering with something behind her back) Phoebe, c'm here. I want to show you something in the bathroom.

Phoebe: Oh, Monica, grow up!

Ross: Hey, what is behind your back?

Monica: Nothing. Just something I want to get Phoebe's opinion on for Valentine's Day.

Ross: You don't want my opinion?

Monica: Not really.

Phoebe: This is the happiest dog in the world. I borrowed him from my friend Wendy. Now, you can keep him until he cheers you up. And he will cheer you up! I borrow him myself from time to time when I get depressed thinking about world hunger, poverty. Not to trivialize your pain.

[Scene: Monica and Chandler's. Chandler enters with a bouquet of roses.]

Chandler: Happy Valentine's!

Saint Valentine's Day or Valentine's Day falls on February 14. It is the traditional day on which lovers express their love for each other by sending Valentine's cards, often anonymously. The holiday is named after two men, both Christian martyrs(n. 殉教者) named Valentine. The day became associated with romantic love in the High Middle Ages, when the tradition of courtly love flourished. The day is now most closely associated with the mutual exchange of love notes in the form of "valentines". Modern Valentine symbols include the heart-shaped outline(n. 外形) and the figure of the winged(adj. 有翼的) Cupid. Since the 19th century, handwritten(adj. 手写的) notes have largely given way to mass-produced greeting cards. The Greeting Card Association estimates that approximately one billion valentines are sent each year worldwide, making the day the second largest card-sending holiday of the year behind Christmas. The association estimates that women purchase approximately 85 percent of all valentines. In the United States, the marketing of Valentine's Day has tagged it as a "Hallmark holiday".

(A woman on TV breaths hard)

Man on TV: Yeah, just relax.

Chandler: I love you, St. Valentine.

(The woman groans, moans, grunts, and screams. Chandler's eyes get huge!)

Chandler: Woah, woah, that's not pretty!

Man on TV: Now, push!

Woman on TV: Ow! Ow! Ooh! That hurts!

Chandler: Worst porn ever! Worst porn ever! (Chandler starts to press buttons on the remote control, frantically.)

Woman on TV: Ohhh! Make it stop!

Chandler: I am trying!

[Scene: Joey's. Joey is playing fetch with the dog.]

Joey: Get the ball, ready? Get the ball, get the ball! (Joey pretends to throw it, but really doesn't, and the dog goes running off.) Well, you're cute, but you're not too smart!

(The dog returns with a ball that looks exactly like the same one Joey has.)

Joey: (looking at the ball the dog brought back) Did I just throw this?

Rachel: (entering) Hi.

Joey: Hi.

Rachel: I accidentally packed these with my stuff. (looks at the dog and gasps) Who is this?

Chandler: I thought : maybe : you got me porn for Valentine's Day.

Monica: Chandler, if you thought I was going to get you porn for Valentine's Day : (pulls a video out of a basket) you were right! Apparently, it's about a young girl who moves to the big city, you know, in search of stardom, but ends up having sex with a lot of guys! Yeah, it got four stars! (looks closer) Oh, wait a minute. Those aren't stars. Anyway, you want to take a look?

Monica: Child-birth, it's a natural thing! It's beautiful.

Chandler: Oh, beautiful? Really? Beautiful? You think this is beautiful? (picks up the remote and presses a button, and he immediately makes a face that just looks like he's going to throw up!)

Monica: Oh! Oh, my God! No wonder my mother hates me!

Chandler: See, honey, there's | (puts his hand on her leg)

Ross: What? Oh, come on. You didn't have to! saltwater taffy?!

Phoebe: Taffy, really? I've never had any.

Ross: Ever?!

Phoebe: Well, I think my mother was too busy planning her suicide to provide saltwater treats. (Ross hands her one) Thank you! So what, you're just never gonna tell her?

Ross: Oh, no, no, no, I will! I just want to butter her up, first! You know, I'm going to take her to an amazing Valentine's dinner. Do all this romantic stuff, and then, just when she thinks I'm the

Ross: So I just have to plan the perfect night. Hey, what's the best date you ever had?

Chandler: Oh, and we should warn you, before you watch it: don't watch it.

Rachel: Well, now, wait. Now I'm all freaked out. Come on, you guys will watch it with me?

Monica: No, but I will **leave** a sweater that smells like me **right next to you!**

Rachel: Monica, come on. You want to have kids.

Monica: I do. But the stork is gonna bring mine.

stork <鸟> 鹤(送子鸟) / In Greek mythology, Gerana was an Æthiope, the enemy of Hera[n. 宙斯神的妻(赫拉)], who changed her into a stork, a punishment Hera also inflicted on Antigone, daughter of Laomedon of Troy (Ovid, Metamorphoses 6.93). Stork-Gerana tried to abduct(vt. 诱拐) her child, Mopsus. This accounted, for the Greeks, for the mythic theme of the war between the pygmies(n. 侏儒族) and the storks. In popular Western culture, there is a common image of a stork bearing an infant wrapped in cloths held in its beak(n. 喙); the stork, rather than absconding(vi. 潜逃) with the child Mopsus, is pictured as delivering the infant, an image of childbirth(n. 分娩).

Rachel: C'mon, seriously, you guys, you're not going to make me watch this **alone!**

Monica: She's right: of course not. Honey, get the tape.

Chandler: (with his arm **all the way** under the cushion, **moving it around**) This **reminds me of** a very **specific part** of the tape.

Rachel: Oh, sure. But if you leave a drumstick **under there** and you're a bad roommate.

Chandler: (Chandler puts the tape in, and they all sit down) Okay, **here we go.**

Rachel: Okay. (watching the tape) Ooh, my! (Rachel jumps when the woman starts screaming) Woah! Why is that baby **torturing** that woman?!

Chandler: Why have I seen this thing three times?!

Monica: It's still beautiful.

Rachel: Uh! It's horrible!

Monica: I know! I know, I'm so sorry for you!

Rachel: Oh, my God!

(Monica and Rachel both cover their eyes)

Rachel: What do I do? I don't want to do this! How do I get out of it?

Chandler: Wait, you guys, look!

Rachel: What? Did her ass explode?!

Chandler: No, the baby's out! Look, look!

Monica: Oh, look at those little fingers and toes!

Chandler: And look how happy the mom is now!

Monica: Oh : Rach!

Rachel: Oh, screw you guys, you don't have to do it!

[Scene: Central Perk. Ross is getting coffee as Joey comes from : God knows where! Some back area of Central Perk around the corner that we've never seen! Weeeiirrrddd :.]

Ross: Hey, hey, man!

Joey: Hey, what's up?

Ross: Uh : Mona just dumped me.

Joey: Oh, man, I'm sorry. Why?

Ross: Well, with everything that's been going on lately, I haven't exactly been the perfect boyfriend. You know, I mean, uh, I didn't tell her I got Rachel pregnant. I gave her a key to my apartment, and then had the locks changed! And then I lied to her about Rachel moving in with me. In a way, I actually judge her for not breaking up with me sooner, you know?

Joey: Still, that really sucks, man. Especially on Valentine's Day.

Ross: Yeah. Wait a minute. What are you doing here? Joey Tribbiani without a date on Valentine's Day? What's going on, huh? Girl trouble?

Joey: Sort of.

Ross: Really?!

Joey: You don't have to seem so happy about it.

Ross: Oh, sorry. Well, look, maybe I can help.

Joey: Oh, I did

Ross: Hey, whatever it is, I am sure it has happened to me. You know, actually once I got dumped during sex.

(Two girls sitting at a table next to them look up in disgust, and Ross and Joey move away)

Ross: Anyway, so, uh, so what is it?

Joey: Forget about it. It's no big deal.

Ross: Come on! Joey! What is it?

Joey: It's nothing.

Ross: Hey, hey, it's me. Why can't you tell me?

Joey: Okay, uh: sit down. (they do) Um: there's this woman that I like. A lot. But, uh: it can't happen.

Ross: She's not a Tribbiani?

Joey: No!

Ross: I knew it. So, is she someone from work?

Joey: Yes.

Ross: Well, uh, does she like you?

Joey: Sometimes I think maybe she could. But it doesn't matter, because I can't do anything about it.

Ross: Why not?

Joey: Well, it's complicated. She's with this other guy. For a long time. Someone from work, too. And I could never do that to the guy, because we're really good friends.

Ross: Wait, I thought you hated everyone at work.

Joey: No, no. I only say that so that Chandler won't feel threatened because I'm his only friend.

Ross: Excuse me?

Joey: Sorry, sorry. And I'm your only friend too.

Ross: So, uh, this guy, she used to go out with, is, uh: is he still in love with her?

Joey: No. I don't think so.

Ross: Okay. Um: is he a good guy?

Joey: Yeah, he's the best.

Ross: Then talk to him! He might be fine with it.

Joey: Oh, I don't know.

Ross: Joey, it's worth finding out. I mean, if you really like her.

Joey: I do! So much! I can't stop thinking about her! I can't sleep, I |

Ross: (interrupts) Okay, Joey, you know what? You have to go for it. How often does this happen to you, huh? You owe it to yourself.

Gunther: (placing a cup in front of Ross) Here's your warm milk.

Ross: I'm going to: uh: I'm going to, um, put the bourbon in it at home.

Bourbon is an American form of whiskey made from (pursuant[adj. 依照的] to U.S. trade law) at least 51% corn, or maize(n. 玉米) | typically about 70% | with the remainder(n. 剩余) being wheat and/or rye(n. 黑麦), and malted barley(n. 麦芽). It is distilled to no more than 160 (U.S.) proof, and aged in new charred oak barrels for at least two years | or perhaps longer. The two years maturation process is not a legal requirement for a whiskey to be called "bourbon," but it is a legal requirement for "straight bourbon." However, in practice(adv. 实际上), many bourbon whiskeys are aged for no less than four years. Bourbon must be put into the barrels(n. 桶) at no more than 125 U.S. proof. Generally, it is then adjusted to 80 - 100 proof[n. (酒精 酒类的) 浓度标准 度] and bottled. Some (mostly non-U.S.) jurisdictions do not allow alcoholic beverages with over 40% alcohol content to be sold. However, the recent trend among distillers has been to return to higher proofs, and even "cask(n. 桶) strength" bottlings(n. 装瓶). 一种美国威士忌酒(用玉米酿成 产于肯塔基州的 Bourbon)

Ross: Anyway : seriously, uh : just : just talk to the guy, okay? And tell me **how it goes**. (walks towards the door until :)

Joey: It's Rachel.

(Ross just stands in the doorway, for like a minute : Ahh! What's going to happen next??!!! I can't **make it all the way** through the Olympics!!!)
